It takes considerable time and energy to create an effective estate plan. In order for it to remain effective it must be periodically reviewed to ensure that it is up to date with changing laws and personal circumstances and reflects your current wishes. Estate planning attorneys, Lindsay Lofgran and Joe Fairbank will discuss:

- The need to address incapacity and long-term care needs
- Life events that require changes to your estate plans
- Changes in the law that may affect your estate plans

Presented by

Lindsay M. Lofgran

Joseph D. Fairbank
